### Season 2011 – 2012 – mini registration

This form is to apply for training and insurance membership of Hordle Spurs Football Club. This will enable the child to use the coaching facilities and equipment of HSFC and be covered by Club insurance, also to participate in club social events. As it does not include payment to the FA for match affiliation or league entry, only half the full fee of £30.00 is required. Training is £1.00 per session.

Mini Membership - **£15.00** \*

**\* If there is an older sibling registered with the Club and full fee of £30 has already been paid, only an additional £10.00 is required.**

Please return form and money (cash or cheques made payable to Hordle Spurs FC) to one of the coaches or directly to the Club Secretary:
